JOIN GRANITE OAKS STUDENTS, STAFF AND FAMILIES IN A MORNING OF EXERCISE AND FUN

Granite Oaks Physical Education has another big “TEAM” participating in the annual RUN ROCKLIN. This event takes place Sunday, April 8th, 2018. Proceeds benefit the Matt Redding Memorial Scholarship- serving Rocklin students.

ANYONE can join our “Team” – students, staff, parents, siblings... anyone! There are no meetings or practices, but you do get a shirt with our team name printed on the back. Just Click Register Now, View Teams and Search Granite Oaks Phys Ed on the following link: <http://www.runrocklin.com> RUNNERS AND WALKERS OF ALL SPEEDS WELCOME!

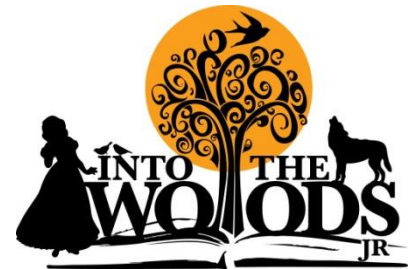

Purchase your yearbook for \$55.

ORDER YOUR YEARBOOK ONLINE at: <http://jostensyearbooks.com/?REF=A01005442>

Request from the Drama Club

The Drama Club is doing the musical Into the Woods and we are looking for artificial Christmas trees to help make our pine tree forest for our set. We are looking for green artificial trees without lights attached of any height or size. We would love donations or trees that would be loaned to us for the performances. If you are willing to loan us your tree, we would just need your tree labeled in some way with your name and contact number, so we can return the trees to you after April 25th. If you have any questions contact Megan Persinger at mpersinger@rocklinusd.org

Thank you in advance for supporting the arts at our school!

Track & Field Parents

Please have your athlete turn in all paperwork needed to participate in Track & Field on Tuesday, April 3rd, unless you have already done so. There are still a lot of athletes that have not turned in any paperwork. (Permission Slip, VAC form, Concussion form, and Grade Check). Please ask your athlete if they've turned it in if you have already filled out. Athletes will not be able to compete without all paperwork turned in. THANKS!! Mr. Ryan

UC DAVIS

C-STEM Center

C-STEM Application Cycle for Current 7th Grade Students **C-STEM PROGRAM APPLICATION IS NOW OPEN!**

The 8th grade Discovery academy will offer the C-STEM program at Granite Oaks Middle School in the 2018 – 2019 school year. This program is recognized by the University of California admissions department, including UC Davis, UC Berkeley, and UCLA.

The C-STEM program allows students to participate in an academic environment focused on Computing, Science, Technology, Engineering and Math (C-STEM) to explore real world challenges and create their own computer programs. Through the implementation of inquiry-based learning, students will experience the integration of computing. This is being made possible through collaboration with UC Davis. **Spots are limited.** Check out our C-STEM Video to learn more.

Questions? Contact Jeremy Waddell: jwaddell@rocklinusd.org

Spots are limited. Apply before Friday, April 6th to be considered for the program.

ATTENTION 7th GRADE PARENTS! **THE 8TH GRADE ADVANCED LANGUAGE ARTS APPLICATION IS NOW OPEN FOR** **THE 2018-2019 SCHOOL YEAR!**

ADVANCED LANGUAGE ARTS:

Students in the advanced course engage in highly-differentiated curriculum in order to help prepare them for advanced classes in high school. In addition to analyzing text and writing academic essays, students participate in literature circles, Socratic seminars, expert panel discussions, blog posts and 20time projects. Students are also exposed to higher-level learning through an introduction to Shakespeare and literary criticism theory. Students are admitted into the program through an application in the spring. The expectation is that students have a strong foundation in reading and writing upon entering the program.

Applications are being accepted now until the deadline on Friday, April 13th.

Please note that as a part of the application process, students need to submit an academic writing sample to Mrs. Persinger in room A5 by the deadline. It can be an essay from 7th grade Language Arts or a different sample of strong academic writing.
