

Teachers Who Make A Difference

Holly Allison is an amazing educator who has developed a program that is second to none in its support for our children with Autism. Holly literally developed her program from the ground up. Holly transformed a bare classroom into a center for learning for our students with Autism. Holly has created a wonderful learning environment that challenges her students to grow and excel on a daily basis. Holly utilizes cutting edge educational techniques and technologies to support, educate and nurture her students. Holly’s educational knowledge and dedication to her students truly make her a teacher who makes a difference!

Tanya Zorichak has transformed the way we view Family and Consumer Sciences “Home Ec” on our campus. Tanya has utilized the National Standards for Family and Consumer Sciences to design a standard based program the challenges students to learn about a variety of life skills. Students in Tanya’s class study nutrition, food preparation, sewing techniques, and how to live a healthy lifestyle. Tanya has cooked up a program that challenges students, helps them to develop skills that will last them a life time, and enables them to have a blast while learning. GOMS is fortunate to have Tanya directing our FCS program!

KEY Academy Donation

After reading the novel "A Long Walk to Water," and being moved by the story that included hardship in the country of Sudan in Africa, a big congratulations goes out to the KEY Academy students for raising \$475.00 dollars for Impact A Village a non-profit organization. They donated the money to our guest speaker, Deng Ajak Jongkuch who was one of the lost boys of Sudan. Thanks to all the parents for their support too! KEY Academy students and parents Rock!!

Warmly, Mrs. Sherrill

PARENT EDUCATION NIGHT ON E-CIGARETTES

Spring View Middle School is hosting a parent night to educate parents on the dangers of E-cigarettes on **April 25, from 6:30-7:30pm**, for a presentation on E-cigarettes by the Placer County Tobacco Prevention Program. Health Educator Alexandra Wride will explain all the ins and outs of E-cigarettes, including: what they are, slang terms, health concerns, teenage popularity, and ways to talk with your teen about them.

E-cigarette use has grown exponentially among teens in recent years. Learn about this dangerous new trend from an expert in the field.

Counselor Corner – April 2018

Spring is upon us and it is a busy time of year here at Granite Oaks as we move into the fourth quarter of the school year. The 8th grade class of 2022 has completed the course registration process for both Whitney and Rocklin High School. All of our 8th grade students utilized the AERIES portal to register for their high school elective courses. In April, we will begin the registration process for our incoming 7th graders as well as our current 7th grade students as they prepare to move on to the 8th grade.

Important Registration Dates Coming Up:

- ❖ Monday, April 23 – Current 7th Graders will receive an Elective Brochure and the Educational Plan Worksheet to choose their electives for their 8th grade year to take home for parent input and signatures.
- ❖ Thursday, April 26 – Students will return their Educational Plan Worksheet to their homeroom teacher.
