

Dear Parents and Guardians,

The success of the PBIS program on the Granite Oaks Middle School campus is fostered not only by our students, teachers and staff members but also by the support of parents, families, and the community. You are an integral part of our implementation of PBIS and your input is highly valued. Please take a moment to fill out our PBIS survey using the link below. Upon completion of the survey, you will have a chance to enter your student into a drawing to win a free yearbook. If you have already purchased a yearbook, you will be reimbursed. Please complete the survey by Friday May 4th. Thank you for your time and support! It is greatly appreciated!

GOMS Chess Club Competes

On April 12th Thursday GOMS Chess Club competed against SVMS in the Chess Bowl (organized by Rocklin High student Aravind Sharma). The competition was tough and we thought the Chess Bowl would come down to a tie-breaker challenge, but the final game sealed the win: 6 to 4. Congratulations!
