PLEASE ORDER SCHOLASTIC BOOKS TO SUPPORT THE GRANITE OAKS LIBRARY!

Granite Oaks Library will be offering your students an opportunity to purchase books through Scholastic Book Clubs. Order forms will be available in the library each month. The due date will be stamped on the front of the order booklet and the order form should be returned to the Granite Oaks Library, with a check made out to "Scholastic Book Club", on or before this date. If you are ordering from more than one club, one check can be written to cover all orders.

You can also order books online. Information on how to place an order can be found on the Granite Oaks Library home page.

Once the order has been placed, it will take approximately 1 to 2 weeks for the order to arrive. Pick up notices will be sent to each student's homeroom teacher letting them know that their books are available in the library.

Rocklin Unified School District
Student Survey Parent Permission

TO: Parents and Guardians of 7th, 9th and 11th Grade Students

RE: Consent for the California Healthy Kids Survey
2017-18 School Year

Dear Parent or Guardian:

Your child is being asked to be a part of our school's California Healthy Kids Survey (CHKS) sponsored by the California Department of Education. This is a very important survey that will help promote better health and wellbeing among our youth, improve the school learning environment and combat problems such as drug abuse and violence. Your child does not have to take the survey. **If you do not want your child to complete the survey, you must notify your school.**

Survey Content. The survey gathers information on developmental supports provided to youth; school connectedness and barriers to learning; school safety; health-related concerns such as physical activity and nutritional habits; alcohol, tobacco and other drug use; and risk of depression (middle/high school) and suicide (high school only). You may view a copy of the survey in your child's school front office or on the Rocklin Unified School District website www.rocklinusd.org.

The results from this survey are compiled into district and county-level CHKS Reports. To view a copy of your district's Report go to <http://chks.wested.org/reports/search> (Outside Source) and type in the district name. It is Voluntary. Students who, with your permission, agree to participate do not have to answer any questions they do not want to answer, and may stop taking the survey at any time.

It is Anonymous. No names are recorded or attached to the survey forms or data. The results will be made available for analysis only under strict confidentiality controls.

Administration. The survey will be administered October 2-13, 2017. It will take about one class period to complete (about 50 minutes).

Potential Risks. There are no known risks of physical harm to your child. Risks of psychological or social harm are very small. None have been reported in 14 years of survey administration. In rare instances, some discomfort might be experienced from the questions. The school's counseling services will be available to answer any personal questions that may materialize.

For Further Information. The survey was developed by WestEd, a public, non-profit educational institution. If you have any questions about this survey, or about your rights, please contact:
