

GOMS Eblast 8-8-19

Good afternoon GOMS families,

We would like to remind you that we will not be posting homeroom academies this year in the GOMS office. Student schedules will be available to view after 5:00pm on the RUSD Aeries Parent Portal. All families need to log onto the Aeries Parent Portal utilizing the primary email address that was provided by you to RUSD for school/home communication. Once logged in parents must confirm the information located in the parent portal in order to view your student's schedule. If you have questions regarding your primary email you may contact the GOMS office at 315-9009. We have attached instructions to access your Aeries Parent Portal if you are having difficulty logging into the platform.

We look forward to the start of school on Wednesday, August 15th. Students should arrive on campus by 8:15 am in order to be in class at 8:25 am. Students report to their Homeroom Teacher listed on your class schedule. See you next week!

Message from GOMS Parent Falcon Club

Dear Incoming Parents and Returning Parents of Granite Oaks Middle-schoolers,

The Parent Falcon Club would like to extend a warm and enthusiastic welcome back to school greeting. There are many new faces on the board, as well as some familiar faces. We look forward to working with you to support the students and teachers throughout the school year. There are 2 major fundraisers during the year which support technology, the after school clubs, teacher appreciation, classroom activities, and extra-curricular activities. They are: Day of Awesomeness (**NEW!**) and the coffee fundraiser. Additionally, there are opportunities to support the school through memberships and the VIP parking.

The PFC board and the administration of Granite Oaks Middle School would also like to take a moment to address transparency in the funds raised and how they are spent. At all times, parents may access the PFC budget via the [PFC website](#). We also invite you to join the monthly board meetings to discuss all things GOMS.

If you haven't already done so, please download the Granite Oaks Middle School app for [Apple](#) or [Android](#). It is a great source of information.

Thank you for your support and we will see you next week!
