

Granite Oaks MS - Family Connection for Naviance

Granite Oaks Middle School is pleased to introduce Family Connection from Naviance, a web-based service designed especially for students and parents. Naviance is a comprehensive web site you can use to help make decisions about colleges, careers and academic planning. Family Connection will allow you to:

- Get involved in the planning and advising process – Build a 4-year plan, complete on-line surveys, and manage timelines and deadlines for making decisions about colleges and careers.
- Research colleges – Compare GPA, standardized test scores, and other statistics to actual historical data from students who have already applied from our high school.
- Research careers – Using personality and interest assessments
- Sign up for college visits – Find out which colleges are visiting our school and sign up to attend those sessions.
