Dear Parents/Guardian/Students:

Welcome to the Granite Oaks PE Department. Our students have received detailed information regarding the ins and outs of the PE program. We reviewed our PE Handbook (grading policy, locker room procedures, dress code, medical notes...) during class. We also delivered locker room "talks" and "tours" for each respective locker room. Please take a moment to review this information with your student. The handbook is available on Schoology and via the Granite Oaks Website (PE Department Tab).

Our goal is to make this year a positive experience for you and your student. Please provide us with the following contact information so we may communicate with you as necessary.
