## **CHECKLIST FOR ARCHIVES PROJECT**

Each project will require a folder, done separately and turned in with the project that contains the following items:

- Rubric for each person.
- Four sides of research notes for each person.
- One bibliography (“Work Cited”) for each person. The bibliography must contain at least four sources.
- One “Reflection” sheet for each person, typing, double-spaces and 200 or more words in length. The reflection should describe what you learned about the Civil War while doing the project, if the project was worthwhile to you, any difficulties or especially enjoyable portions of the process, etc.
