## ARCHIVES PROJECT PARENT NOTIFICATION

### Research Project Guidelines

1. ALL writing should be typewritten.
2. Two pages (front and back) of notes from two sources (book, encyclopedia or internet) are required.
3. A bibliography (list of works cited) is required with **four** different sources.
4. Original artwork will be weighed heavier than computer-generated artwork.
5. All work must be original work of students: **plagiarism will not be tolerated and will cause the student to receive an immediate zero for the assignment as well as appropriate disciplinary action.**
6. Be creative and have fun with your project!
- 7.. All projects will be turned in with the teacher-provided rubric and a one page **“Reflection”** written when the project is completed.

Students wishing to do a project other than those listed on the project list must complete the following:

1. Be sure it relates to the time period of 1850-1875.
2. Submit your original idea in writing to Mr. Meadows.

The project I plan to do is (full description AND number):

---

---

---

If working with a partner, name that person here: \_\_\_\_\_

(Working with a partner or partners is optional. However, if two students are working together on a project, your teacher expects double the quality. Choose a partner carefully! You will be responsible for the project. If you have any doubt about the work ethic of your classmates, work alone!)

### To Parents:

We understand the requirements for this project and understand that it is due on May 7<sup>th</sup>, 2015. We have reviewed our student's choice of project and understand that it is the student's responsibility to talk to Mr. Meadows about any concerns or problems. We also understand that the student cannot change nor do something that is not on the list without speaking to Mr. Meadows first. We realize that it is the student's responsibility to plan and implement their project in a timely fashion to get it in on time without rushing at the last minute to get it done.
