

COLONIAL UNREST

While reading, discussing and analyzing the eight events that you will rate for their “**UNREST RATING**” on the matrix, give each of the placards a rating on a scale one 1 to 10.

For our exercise, give the **Proclamation of 1763** a “**one**” on the scale and the “**Lexington and Concord**” placard a “**ten**”. Assign each of the other placards a number between these two events according to the severity of their “**DEGREE OF UNREST.**”
