

French and Indian War

Examine the map on page 60 and then answer the following questions:

1. Which countries gained North American territory between 1754 and 1763?
2. In 1754, what natural boundary was at the westernmost point of the thirteen British colonies?
3. Which country lost the most territory between 1754 and 1763?

Read “The French and Indian War” section on pages 59-61 and answer the following questions:

1. What caused the French and Indian War?
2. What did the “Proclamation of 1763” say?
3. Why did King George III issue this proclamation?
