## **Grammar Review: 8 Parts of Speech**

**Directions:** Using your own paper and adding to it throughout the week, copy down the sentence and answer the question as directed. The first person to get the answer correct, may win a bunch of Victor Bucks!

1. Identify all the nouns in the following sentence and tell me what kind of nouns they are: "Mr. Victor loves football, chicken wings, and cheerleaders."
  
2. Identify all the pronouns in the following sentence and tell me what person they are and if they are singular or plural: "I like all of my students, especially when they do their homework."
  
3. Identify all of the verbs in following sentence and tell which one of the four possibilities they are: "Mr. Victor tries to give everyone an opportunity to succeed, but his students must take advantage of those opportunities."
