# Weekly Grammar Review 5

## A Sentence a Day

**Directions:** Each day copy down the new sentence and identify all the nouns, verbs, pronouns, conjunctions, adjectives, adverbs, and prepositions in the sentence(s). At the end of the week, I will collect these in one pile and grade them. So, make sure that you correct all your errors. When we they are returned, put them in the Grammar section of your binder. You may use your resources to identify the parts correctly.

1. Can you believe that sleepy Sammy actually wrote a very long paragraph?
