Rosemary Elston, Counselor

Dear Parents/Guardians:

Each year teaching assistants and I take photos of the Legacy students in action. From day one until "Open House" in May, the pictures are taken of students in their academic classrooms, electives, school events, and other times chronicling their year. Kids get an opportunity to contribute some music in December and by "Open House" I complete the Legacy Year DVD and show it in my classroom that night. Kids always love to see how much they have grown, what they have done, and the memories that have been captured over their school year. Many kids purchase this video to commemorate their and their classmates' incredible experience. Although the production is time consuming, it's worth it!

Because the video has been such a hit over the years, I use this as a **fund raiser** to bring additional materials to the classroom to enhance our students overall educational experience. Over the last 2 years we raised enough money to purchase a 12 laptop computer lab and a wireless printer for all the group work, writing, projects, review games, etc. that occur throughout the year. This year we want to further enhance the technology, have funds to support all technology (print cartridges, software, etc.), purchase more laptops, another printer, software, additional classroom supplies, and maybe an upgraded camera.

This year with new software the DVD will take about 250 **pictures from each quarter** to make the DVD with effects and music while keeping the production under 1 hour in length. To do so, this will take some time and serious scrutiny to create the DVD that will represent their year. The presale price for the DVD is \$25.00 (you may donate more if you wish). To secure your child's DVD, please send either cash or a check (made out to Granite Oaks Middle School) to Mr. Victor's room for tracking and their receipt.

We feel very fortunate to have the opportunity to share this year with all the students and hope that each and every student will take their incredible 2014-2015 experience into their futures and some very fond memories to boot with their very own Legacy Academy DVD.

Thanks again for your support, donations, and participation in our Fund Raiser,

Legacy Academy
Mr. Victor
