## Suggested Supply List Granite Oaks Middle School

Parents frequently ask our teachers what they can do to assist the school. There are many ways from volunteering your time to providing extra supplies. The school provides all supplies that are necessary for students, but any additional supplies would always be welcomed and appreciated. This is definitely not a requirement. This is just a suggestion for those of you who have asked us what you can do to assist in student success. **A backpack is highly recommended for all students.**
