Dear Students and Parents/Guardians:

July 31, 2020

We are excited about the upcoming year and the opportunities your student will have to grow academically, socially and individually. Prior to the year starting, make sure your Aeries Parent Portal is up-to-date by confirming the data located within your student's account. The data confirmation process asks you to input the correct address, contacts, medical information, etc. If you have not set up a Parent Portal Account, you must do so before the school year begins. [PLEASE CLICK THIS LINK](#) to set up your Aeries Parent Portal account. Parents must update & complete the data confirmation process in the Aeries Parent Portal. The Data Confirmation window opens on Monday, August 3rd.

All Aeries Parent Portal passwords were reset on May 12, 2020. Parents will need to update their Aeries Parent Portal password if you have not logged on since May 12, 2020. Instructions for changing passwords are included in the following parent portal link: <https://parent.rocklinusd.org> (scroll to the bottom of the page to access changing password directions)

NOTE: Class Schedules will not be available to view until all information/data in the Aeries Parent Portal has been confirmed.

Mandated State Immunization Requirements:

All students entering 7th grade and newly registered students must meet all state immunization requirements, including proof of 7th grade TDAP requirements, or have a temporary or permanent Medical Exemption completed by a doctor. A Personal Beliefs Exemption filed in grade span Pre K through 6th grade is not valid for 7th grade entry. **Students who do not have the proper immunizations completed by the first day of school, August 12, 2020 will be excluded from attending GOMS classes.**

Reference: [RUSD website for Immunization Requirements](#)

Reference: [California's School Immunization Website](#)

Please note that there are four additional immunization series that must be completed by the start of 7th grade. They are the Polio, MMR, Varicella and Hepatitis B Series. Most students have completed them by this time, but there are a few who were grandfathered in when the new law was passed in July 2019 and now must have them prior to 7th grade.

Please check their immunization records to ensure they have the following:

1. TDaP
2. Four doses of Polio (three is OK if one was given after age 4 yrs)
3. Two doses of MMR
4. Two doses Varicella
5. Three doses of Hepatitis B

Please do not hesitate to email Laura Pelly at lpelly@rocklinusd.org with any questions. [ShotsForSchool.org](https://shotsforschool.org) is also a great site to go to for more information on immunizations and what is required for students as they enter 7th grade.

Thank you and enjoy the rest of your summer!
