

## GOMS Eblast 8-25-20 - Back-to-School Night

### Principal's Message

Hello Granite Oaks Families! Our GOMS staff would like to invite you to attend our 2020/21 Virtual Back to School Night on Wednesday, August 26th from 6:30pm to 7:30pm. Our teachers have been working extremely hard to bring virtual learning to our students. Teachers have worked through the summer and are still spending long hours to develop lessons to engage our students in the learning process for their curriculums.

Teachers have developed and posted video presentations for their classroom processes and procedures during distance learning. We have attached a link in this eblast for you to access your students' teacher videos. You can watch these videos about their classroom goals, expectations, and learning processes whenever you like.

On Wednesday, August 26th we will be hosting virtual office hours for families to log in and ask questions about the process and procedures for their students' classes. Open office hours will not be a time to discuss individual students due to confidentiality laws, but our teachers would be happy to schedule an appointment with you if you would like to discuss your student's needs at another time.

Mr. Daley and I will be hosting a virtual principal office hour for families to log in and ask any questions regarding the learning process at GOMS. We invite you to log into our virtual office hour and say hello or ask a question.

I truly appreciate how hard all of our families are working during the distance learning portion of the school year. As a father of three amazing children, I understand how hard it is to work, manage learning at home, and keep a family unit moving forward during these challenging times. Part of being in the nest at GOMS is being respectful, responsible and resilient. The staff at GOMS knows that our families are being extremely resilient during the distance learning portion of our year.

We hope to see you Wednesday, August 26th during our GOMS Virtual Back to school night from 6:30pm to 7:30pm.
