

Principal’s Message

I would like to thank all of our families for all the hard work and effort that they are putting into distance learning. We know that distance learning is very difficult for many students and recognize the family support needed to make this learning experience successful.

Sept 14 to Sept 21 School Schedule

Next week (Sept 14 through Sept 18) we will be operating under an Articulation Monday Day schedule the entire week to give teachers the ability to plan for our move from distance to hybrid learning the week of Sept 21. As a reminder, this means classes will run from 8:30am-1:55pm each day next week.

Hybrid Begins

Our hybrid model with students on campus begins on **Monday, September 21st**. Students will be divided into “A” and “B” groups that will have synchronous learning on campus one day and asynchronous learning at home the other day. **Students will also be required to check in with their enrichment class on the days in which they receive asynchronous instruction at home.** The “A” grouping of students will be completing synchronous or in school learning on Tuesdays and Thursdays. *The “B” grouping of students will be completing synchronous or in school learning on Wednesday’s and Friday’s.* Our “A” and “B” groups will be alternating Mondays at school and at home. We will be starting this schedule with our “B” students attending on Monday, Sept 21st.
