Dear GOMS Staff and Families,

The third quarter ended today and Monday brings with it the final and fourth quarter to the year. Thank you to our hard-working staff, students, and families for getting through this school year with amazing resiliency.

The dance will be on March 18th from 7 to 9pm. Please check if your student has their ID because it is needed to get into the dance. Students that need a replacement ID can request one at Student Services. The cost of a replacement ID is \$2. Please remember that only Granite Oaks Middle School students may attend the dance. Students need to be present on the school day to attend. Students may not leave the dance before the 9:00 P.M. dismissal unless picked up by a parent at the door. In order to attend dances, students must meet the criteria for participation in extracurricular activities (2.0 GPA with no more than one NM, 80 merits/quarter). School dress code applies to all dances.

We would like to remind our students that ED Code 51512 specifically states that video and audio recording without permission of teachers, staff, and students is strictly prohibited on our campus. Any unauthorized video or audio recordings will cause disciplinary action to be taken to the person or persons recording.

We hope that you all have a fun and restful weekend!

Sincerely,
 Mrs. Honegger and Mr. Holmes

*****Free Chromebooks! Free Chromebooks!*****

Yes, RUSD is giving away free chromebooks through the ECF program for anyone who takes 5 minutes to fill out the application below. These chromebooks can be used by students as long as they stay within RUSD. Anyone who now has a chromebook handed out by RUSD should be filling out our ECF form to receive a brand new chromebook. Every RUSD student can qualify for a chromebook by filling out our ECF form. Don't forget that you can have a free Chromebook for your student to use in their educational pursuits while in the Rocklin Unified School District. Please see these links for more information about ordering a free Chromebook for your student.

COVID-19 GUIDANCE

Dear RUSD Families,

Both the California Department of Public Health ([CDPH\) Guidance](#) and California Division of Occupational Safety and Health ([Cal-OSHA\) guidance](#) related to COVID-19 have been updated. As with previous updates, the Rocklin Unified School District (RUSD) continues to evolve its practices and protocols as it relates to the guidance legally required by the State of California.

Rocklin Unified has also updated its [RUSD Guidance](#). Here is a summary of the major changes:

- The quarantine period for persons exposed to a positive COVID-19 case has been reduced to five days. Asymptomatic persons with a negative test result on day five may return to school/work on day six.
- The isolation period for persons positive for COVID-19 has been reduced to five days. Asymptomatic persons with a negative test result on day five may return to school/work on day six.
- More information regarding the above can be found on this [Quick Reference Guide](#).
- The results of At-Home Tests (Rapid Antigen tests recommended) may be utilized to clear persons to return to school/work in the above scenarios. A negative At-Home Test result may also be used to return a person to school/work who is asymptomatic after 24 hours have passed and symptoms have resolved.
- RUSD will require the submittance of an [At-Home Test Validation Form](#) to allow students and staff to return to school/work with an At-Home Test result.
- Cal-OSHA does not allow employees to self-administer At-Home tests if they are surveillance testing weekly. Therefore, RUSD will continue to provide at school and after school testing for employees in this category.

CDPH has also changed the definition of “Fully Vaccinated” to include only those who have received their initial series of vaccination(s) (two of either Pfizer or Moderna or one Johnson & Johnson) and the vaccine booster. If persons are not yet eligible to receive a booster shot ([click here to find out](#)), then they are deemed exempt from this requirement and are still considered “Fully Vaccinated” until they become booster eligible.

The impact of this is that only “Fully Vaccinated” persons (staff and students) qualify for the modified quarantine, which allows them to remain at school/work after an exposure to a positive case. If persons are no longer considered “Fully Vaccinated”, then they would be required to quarantine for five days (see above) if exposed to a positive case.
