**REMINDER: Parents, please always check into the office when picking up your student to sign them out.**

Dear GOMS Families,

Please remember that parents are not allowed to drop off or pick up students in the back GOMS parking lot. Many parents are now driving off Park avenue into the staff parking area to pick up their student. We have experienced many near accidents with cars and students before and after school. Please drop off students on Park Avenue or Wyckford BLVD or in the front area of GOMS. Also, we have noticed an increase of parents driving too fast around GOMS when students are arriving at school. Please remember to drive as though your student attends our amazing educational institution. Student safety is no accident.

Have a great weekend or not - the choice is yours!

All the best,  
Mr. Anaya and Mr. Holmes
