Dear GOMS Families,

Mr. Anaya and I would like to send out a big thank you and shout out to all of our hardworking staff at GOMS. Our staff does an amazing job keeping students safe and learning. We are indeed lucky to have such dedicated individuals taking care of the educational and social emotional needs of our students.

We have noticed that student school drop off and pick up has become much more congested than we have gotten used to this year. Please do your best to exercise safety and patience as we move toward the end of the year and sunnier days. A good rule of thumb would be to drive like your student attends GOMS.

Please take a moment to consider joining our GOMS Parent Falcon Club. We have many PFC members who are moving on to our high schools. We are in need of parents to help us with an integral part of supporting the educational and social emotional learning of GOMS. The GOMS PFC helps to raise money to support our clubs, sports, technology, teacher appreciation, educational environment, and in numerous other areas. We have included the contact information for our PFC in our E-blast if you would like to help support students on our campus.

We hope you have an amazing Spring Break with your family!

All the best,

Mr. Anaya and Mr. Holmes
