7th Grade Immunization Requirements

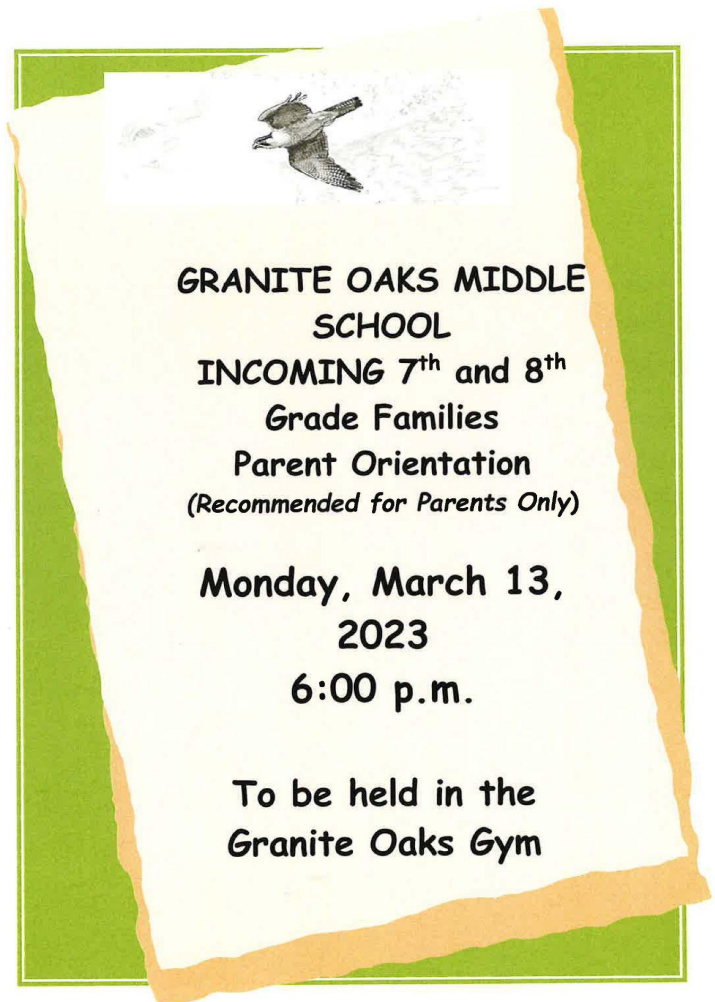

Please submit an immunization record for your students who will be entering the 7th grade next year. The immunization needs to have been given on or after your child's 7th birthday. If your child hasn't received this immunization yet, please schedule an appointment immediately with your regular doctor.

You can also scan it in and email it to:

RUSDnurses@rocklinusd.org

EXCLUSIONS: Whooping cough, also known as pertussis, continues to threaten students in California. To help stop its spread, all incoming 7th graders are required by law to have proof of a whooping cough booster (Tdap) shot, or file an exemption, in order to attend classes next year. Students will not be allowed to attend classes without a shot record or exemption.

Tech for Middle School

TIME TO START PLANNING

As hard as it might be to believe, your student will be in Middle School before you know it. Regardless of which school they attend, students will be required to carry a **District Managed** Chromebook to class each day. Now is the time to begin planning.

Students will have **three choices** for this:

ECF PROGRAM

These are *new* Chromebooks that RUSD gets 100% reimbursed for - ends June 2023

EXISTING RUSD DEVICE

Checking out an existing RUSD Chromebook at the Summer Web Day

A PERSONAL CHROMEBOOK

Students can apply a Management License to a personal Chromebook

IMPORTANT INFORMATION TO HELP MAKE YOUR DECISION

ECF Program

Rocklin Unified has already been awarded an additional 1,600 ECF Chromebooks for students. These are for students who DO NOT have a newer Chromebook at home.

This is NOT income driven. If we don't use them by June 1, 2023 we will lose them.

This is your best option if you do not have one, these will last until your student graduates high school.

Use this QR Code to link to our Family Resources page with info on ECF & Licenses.

Personal Chromebooks

If you already have a Chromebook or choose to purchase your own, a Google Management License *must* be installed.

Managed devices are ONLY MANAGED DURING THE SCHOOL DAY. Immediately afterschool hours, the management is deactivated.

This is your best option if you can afford to purchase your own device.
