

Dear GOMS Families,

On Wednesday, April 18th we were honored to have the Placer County DA officers, Didier Family, and mother of Spencer Newsom to present our One Pill Can Kill Assemblies. Our assemblies were extremely powerful and centered on the dangers that Fentanyl presents to our families, community, county, state and nation. Please take a moment to become aware and learn more about the dangers of Fentanyl.

Placer county also gives parents a podcast dedicated to the dangers of Fentanyl. In the "One Pill Can Kill" podcast, parents can take a deeper look at the epidemic of fake pills and its impacts on our community, what you can do to keep your family safe, and how Placer County health, law enforcement and education agencies are working to address it. The "One Pill Can Kill" podcast is presented by the Placer County Health and Human Services Department, Sheriff's Office and District Attorney's Office. For information and resources on the fentanyl crisis please visit [www.1PillCanKillPlacer.com](http://www.1PillCanKillPlacer.com). Please take a moment to log on to the Placer County website and become more familiar with the dangers our students face with this terrible drug.

We are excited for our Spring Dance this evening. Don't forget that the school dress code applies to the dance and that our GOMS Spring Dance runs from 7 to 9 pm!

Have a great weekend!

All the best,  
Mr. Anaya and Mr. Holmes

### **"In the Nest" Student Newsletter**

Dear Parents,

Our "In the Nest" program supports our campus culture, making it a safe, welcoming and positive environment for students. This year we have been very fortunate to have a student "In the Nest" team. They have worked very hard to create a student newsletter for our campus that is fun and interactive, but also a great way to have students' voices be heard. We would like to share the first edition with you! This newsletter will be released monthly and we hope that your students will enjoy it! Please click on this link to view the newsletter:
