

GOMS Eblast 5-18-23 - Incoming 7th Grade Families

On behalf of the Granite Oaks Parent Falcon Club (PFC), we would like to welcome you to the nest and invite you to attend our annual incoming 7th Grade Parent Falcon Club Information Night.

The PFC is a vital part of the team at GOMS and are partners at the table. We have open dialogue with our administration and assist with raising funds for things like outdoor classrooms, water bottle refill stations, staff lounge updates, technology additions, elective classes, clubs and enhancing the education of our students.

Since our students are only at Granite Oaks for two years, it is imperative that we set our parent club for success! We need to hit the ground running. Come find out how you can help, meet our board, and learn about Granite Oaks.

When: Tuesday, May 23, 2023 from 6:00-7:00 pm

Where: Granite Oaks Staff Lounge

(Please park in the front of the school and follow the arrows through the amphitheater)

What: Meet the incoming PFC board

RSVP to graniteoakspfc@gmail.com with INFO NIGHT as the subject line.

We look forward to meeting you and sharing more about our wonderful school.

The Parent Falcon Club is looking for
incoming 7th grade families
who are interested in making GOMS the
best place for our students!

The Parent Falcon Club at Granite Oaks is a vital part of the team. We aren't just fundraisers: we are partners at the table! Since we are only at Granite Oaks for two years, it is imperative that we set our parent club for success! We need to hit the ground running. And for some, this may be the only chance to hear firsthand what is going on at school!

The ideal model for the GOMS PFC board includes an eighth grade lead for each board position with a seventh grade partner. You are getting on-the-job training to make the year-end transition super easy. It's so nice to have someone to partner with when life's bumps and bruises get in the way of getting things done.
