

Dear GOMS Staff and Families,

On behalf of the staff of GOMS, we would like to thank our wonderful GOMS families and their students for another great year. Your support of our excellent school during this turbulent COVID period of our lives is what makes GOMS such a great place for our teenagers to learn and grow during some of the most challenging years of their lives. We could not accomplish this without your help and support.

We were able to end our year with many fun and engaging activities. Our Newsies musical was professionally performed and executed. GOMS Culture Week brought many different activities to our campus to help us celebrate the rich diversity of our students and staff. Our 8th Grade Promotion Dance was extremely successful at The Grounds and was an event enjoyed by staff, students and families. Our GOMS Talent Show highlighted the amazing talents exhibited by many of our students. We are indeed lucky to have so many activities and events to support and engage our students and staff.

Best wishes to our outgoing 8th graders with their transition to high school and beyond. You have worked hard at GOMS and have earned your high school stripes! We look forward to another great year of learning and maturation with our transitioning 7th graders into 8th graders.

Please feel free to email Mr. Anya or myself with any questions this summer as I will be periodically checking emails. We will answer your questions as soon as we are able. Thank you again for sending us such great students and individuals.

Have a great summer with your family.

All the best,
Mr. Anya and Mr. Holmes
