Dear GOMS Families,

Another great week is in the books here at Granite Oaks! Our students are thriving as classes transition from introductions and acclimation to exciting and rigorous curriculum. Learning is well underway. We are nearing completion for our ECF Chromebook distribution, students have checked out textbooks, and we continue to push forward into the 2022-23 school year.

Looking forward, MAP testing begins next week. Check academy agendas for scheduling to ensure your student is well-rested and ready. As a reminder, breakfast is available daily at the Granite Oaks Cafe, and the early reviews from students are off the charts! We hope you and your family have a wonderful and safe weekend.

All the best,  
Mr. Anaya and Mr. Holmes

### Student Check Out/Check In

**If your student needs to leave school during the school day (i.e.: *appointment*) they need to bring a signed note from their parent/guardian before school to the attendance office. They will be issued a slip to be released from class. Students can only be signed out by a parent, guardian, or person listed in the Aeries Parent Portal Account and is at least 18 years of age.** This policy ensures an uninterrupted learning environment and allows students to be waiting for you in the front office to be signed out. **When checking your student into school**, your student must go to the attendance window, located on campus around the corner from the main office, to fill out a slip before going into class.

### Deliveries to Students

Parents are encouraged to let students assume responsibility for remembering lunches, school items, homework and P.E. uniforms. However, you may leave items on the bookcase located in the Front Office for your student to pick-up. **Students/Parents may not order food to be delivered to the office for lunch (i.e. pizza, door dash, uber eats, etc).**

### Student Illnesses/Health Office

If a student has an emergency or is ill, they must report to the health office located in the Front Office. Granite Oaks staff is available to assist your student.

### GOMS Yearbook Club Starting Soon
